Brahmana Sabha

Deepawali Bakshanam

Once, a devotee wanted to make and give sweets to Sri Maha Periwā. HH requested the devotee to give the same to veda patasala students saying He will be very happy and satisfied if they are happy and satisfied.

Pancha Dravida

CHENNAI 2021

Sri Jayendra Periwā has said that , the children leave their parents to come and stay at patasalas, dedicating their lives to learning our Vedas. They follow strict aacharam in their food habits and routines from dawn till night.

SADHYA PRADHAYINI wing of BSPD was formed by Sri Bala Periwā to make bhakshanam, pickles, chips etc with strict aacharam and give every month to the veda patasalas in our neighbourhoods and visit the kids and interact with them in a regular basis. Even when every month is not possible, at least every Deepawali, we were asked to give. What can one do??

- ❖ Volunteer or join monthly preparation/distribution with return of normalcy
- ❖ Volunteer to deliver to patasala/vrddasramam (CONTACT LESS)
- ❖ On Deepawali day, join us to visit Siva temples in Kanchi
- ❖ Participate with monetary contributions as every rupee counts
